

Unravel is a nonprofit organization with one goal in mind - *We will unravel pediatric cancer.*

## WHY WE FLUTTER: BELLA

100% Cancer Mom

100% Googler

60% sure she'll be here in 5 years

What if... you looked down at your child, and there was a **60%** chance that he or she would be *here* five years from now?

What would you tell your child today?

How would you spend your holidays?

Would you spare any expense to make her happy?

Bella was diagnosed with stage 3 malignant neuroblastoma last August, 2016. In the past year, she's endured 8 chemo treatments, a tumor resection, a lung biopsy, a bone marrow transplant, 12 rounds of radiation and 5 courses of immunotherapy. She has had over 30 blood transfusion, her nose cauterized, 6 tooth extractions and spent over 100 nights in the hospital.

After all that she has been through, she deserves so much more than 60%.

Wont you please help me unravel pediatric cancer?

### About Unravel Pediatric Cancer

Inspired by the life of Jennifer Lynn Kranz, who was diagnosed with an incurable brain tumor called DIPG on her sixth birthday, Unravel is working to spread awareness about the harsh realities of pediatric cancer research, which is alarmingly and devastatingly underfunded. All money raised by and for Unravel goes *directly* to the fight against pediatric cancer.
