

Unravel is a nonprofit organization with one goal in mind - *We will unravel pediatric cancer.*

## WHY WE FLUTTER: SAM

Sam is a 15-year-old, 10th grader at Westerly High School. He is also the Big Brother of Ben (14) and Katie (11). He's is a typical teenager who enjoys school, playing sports, family and friends.

We recently learned that Sam has Pre B Cell ALL (Leukemia).

We are at Hasbro Children's Hospital now and expect to be here for about a month's time. After discharge from the hospital Sam's treatment will continue on an outpatient basis for 2 years. He has an amazing team of Physicians, Nurses and Support Staff who are committed to getting him on the road to recovery.

We thank you in advance for keeping Sam in your prayers. He is a strong kid with deep faith and with the support and love from family and friends. He's ready to fight this and he is going to do great! xo

### About Unravel Pediatric Cancer

Inspired by the life of Jennifer Lynn Kranz, who was diagnosed with an incurable brain tumor called DIPG on her sixth birthday, Unravel is working to spread awareness about the harsh realities of pediatric cancer research, which is alarmingly and devastatingly underfunded. All money raised by and for Unravel goes *directly* to the fight against pediatric cancer.
